Term 3 Week 6

PRINCIPALS MESSAGE
Stewart House
What a fantastic night showcasing the wealth of talent we have in our small schools! We are extremely proud of our students and their efforts, as I’m sure all of our parents who attended were. It was great to see the enthusiasm and smiles on the faces of every child as they participated in the singing and school items. Thank you to the students for their efforts, Sarita Needham for sewing, the staff (and Mr J) who worked as a team preparing for the concert and parents for their support. No wonder I’m so proud to be principal of such a fantastic school. All proceeds from the concert go to Stewart House which provides unique programs for children from all parts of NSW & the ACT since 1931.

As the end of term rapidly approaches we have a very busy four weeks ahead. Next week we have a visit from Mr Hugh Aitken from Legacy, which supports the families of our servicemen. We will be selling badges to help raise money for this worthy cause (details next newsletter). We will also be having a visit from the Librarian of the Kingscliff Library.

On 9 September we will be celebrating Naidoc Day at Fingal Heads PS which was postponed last term due to weather. The sleepover for Years 3-6 will be held Tuesday, the evening before. Students who sent back notes last term have already paid for the sleepover and lunch. We will need another permission note signed due to the change of date.

Friday 11 September will be the Small Schools Ball Games Carnival. It is being held at Burringbar this year and finally Wednesday 16 September will be our annual Multi Cultural Day in conjunction with Gold Coast TAFE.

STEWART HOUSE CONCERT

TEN PIN BOWLING

As a result of a successful grant from Sporting Schools our students have a wonderful opportunity to attend Tweed Coolangatta Ten Pin Bowling for four sessions this term. The funding has enabled the cost of this activity to be reduced significantly and include bus travel. Last week our students were placed in multi-age teams so that our older students could help develop our younger students bowling skills. It was wonderful to see many of our primary students showing leadership and responsibility in this activity. The bowling sessions are on 21 August, 4 September and finally the 18 September. For our last session on the 18 September we would like to invite any parents/carers who are available to come to the bowling centre and have a game with us.

Welcome to Peta Jones. Peta is from the University of New England and is currently completing her 2nd year practicum. Peta will be working in both classrooms K-2 and Y3-6 for 2 weeks.
